

# Room booking

No more double bookings or interrupted meetings.

Optimize the use of your bookable spaces with a professional room booking system.

Choose either the cloud based Naso room manager or the self hosted Liso room manager depending on what you are looking for.

# Desk booking

**Desk A15**

Secure your work space, find your focus and boost your productivity.

Coordinate and control open office spaces, hot desking, hoteling and collaborative work spaces.

Kleeo desk manager is an essential tool for the hybrid or activity based workplace.

# Meeting connectivity

Take the hassle and stress out of holding meetings and using meeting room technology.

Delo connection manager is a screen sharing hub built to simplify both on-site and hybrid meetings. Simply connect your computer and start your meeting.

## Meet Evoko

Evoko is a Swedish worktech brand with a passion to create, market, sell and support clever workplace solutions for the modern office. Our mission is to help organizations get pleasurable business advantages. We do this by delivering

complete workplace solutions with a sublime user experience as well as a clear return on investment.

We pioneered the room booking market in 2009 with the Evoko room manager and our solutions have received numerous awards for their innovation and design. Today you can find our products all over the world and we keep on innovating clever workplace solutions to increase efficiency and evoke a feeling of delight for the people who use them.
